## PRINCIPAL'S CORNER

Dear CRES families,

Each day we ask our students to come to school and engage in the learning activities their teachers prepare for them. These lessons are designed to stretch students and push them a bit beyond their comfort zones. Sometimes we have students trying to learn when they are hungry.

We know that people need to feel safe and have their basic needs met for the best learning to happen. At school we make physical and emotional safety a priority and we also strive to meet the basic needs like food and clothing for our students.

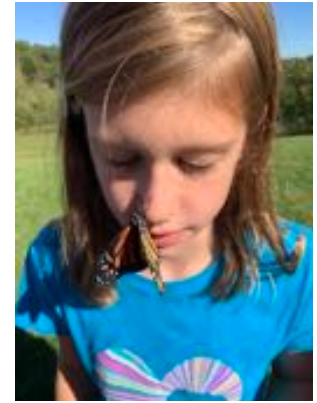

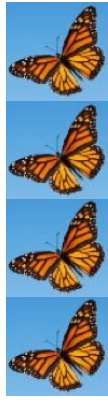

An area that we identified as a pressing need is providing a healthy snack to students who would otherwise go without. Since we all know how challenging it is for anyone to focus while hungry, I'm asking for your support. I want all students to be well fed at school and have access to a healthy snack.

In the past we have received donations from the PTA/CRSA and others to purchase pretzels, safe for any student to eat, for our students in need. Some students may have simply forgotten a snack, while others rarely or never have one. This type of equity initiative can make a big difference for our students and our school.

If you're willing to make a donation, please write a check payable to CRES with "equity" in the memo line. We'll be sure it provides food or clothing for students in need.

Best, Chris

*News from the Camden Rockport School Alliance*

**The Scholastic Book Fair is coming to CRES, October 22-25!**

We are planning to be open after school and during Parent Teacher Conferences. These times are completely dependent on volunteer participation! If you're interested in volunteering for a shift, contact [camdenrockportschoolalliance@gmail.com](mailto:camdenrockportschoolalliance@gmail.com). Also, be on the lookout for our link to sign up on the [Alliance Facebook page](#) and in your email inbox in the coming weeks. Proceeds from this fair are used to purchase each CRES student a summer reading book at the end of the year. Shifts are short, fun and we will provide training if you are new or need a refresher!

*Picture Retake Day is Friday, November 1st*

Any student who was absent on picture day or anyone who wishes to retake their picture is welcome to do so on Monday, November 1st. If your student has not had their picture taken yet and you would like to place an order, forms are available in the wire rack outside the CRES Office. Contact Lifetouch at [mylifetouch.com](http://mylifetouch.com) or 1-800-736-4753 with any questions about school picture orders. The CRES Picture Day ID is: LG229010Q0

**PARENT - TEACHER CONFERENCES, OCTOBER 24-25**

**Conferences will be held on Thursday evening, October 24, and Friday morning, October 25. Look for an email with conference scheduling information coming to your inbox soon!**

**Please note there is no school on Friday, October 25 to allow time for Parent-Teacher Conferences.**

ADULT and COMMUNITY EDUCATION

We hope everyone has settled into the new school year! We just marked our **50<sup>th</sup>** year of adult and community education – we were the first in Maine on September 15, 1969 – and continue to offer a selection of both important classes to help people get and improve their

education and workforce skills, and those that are just a fun way to learn something new.

We'd like to call your attention to several important offerings.

- Integrated education and training program for CNA certificate - this program is free to qualified adults.
- Certified Clinical Medical Assistant with CCMA Certification
- Other Certificate programs include: Dental Assisting with RHS, Phlebotomy with CPT, Pharmacy Technician with PTCB, Group Fitness & Personal Training and Medical Transcription

There are many new and returning offerings including our very popular cooking, art, dance and jewelry-making classes, and we continue to offer Drivers Education every month. If you'd like a digital copy of the brochure, or to register for a class, visit our website:

## Bus Timing

The end of day timing can vary greatly all year long depending on traffic, construction, weather, and who is riding the bus that day. Unfortunately, school bus transportation is not an exact science!

Be prepared for the earliest of arrival times, from 3:45 and beyond, just to be sure.

Questions? Contact Julie Waters, Transportation Director, 236-3358.
